EMERGENCY / OPERATIVE TREATMENT AND FIRST AID. In an emergency, when a parent/guardian's attendance cannot be immediate, it is sometimes necessary to obtain treatment for your child from a Doctor or at the Accident and Emergency department of a hospital. A delay in these circumstances is highly undesirable, and so we require your consent should such an emergency arise. In these circumstances we will either call an ambulance or arrange for your child to be transported immediately to the nearest hospital or Doctors surgery by car. A member of staff will accompany your child at all times. Please inform us of any medical history, which will assist medical staff in an emergency. In the event that your child becomes unconscious or requires first aid whilst at playgroup or on a supervised trip (e.g., forest school) and a parent/carer are not present, we require consent that a qualified first aider may administer the necessary treatment.

Permission to share child detail with other relevant agencies e.g., Health visitor, local authority, school, Ofsted. Intimate care permission - Due to the age of the children in our care we are often required to offer intimate care. All staff are DBS checked. Photographing of children - We take photographs and videos of the children for parents and for observation purposes only. These photos and videos may be sent via WhatsApp to parents of the playgroup only. We post photos of children to Facebook and Instagram but do not include children's faces unless express permission has been obtained from the parents.

Session times for 2023/24: AM sessions in playgroup run every day from 8am to 11.30am. PM sessions in playgroup run every Monday, Wednesday and Friday from 11.30am to 3pm. Forest school sessions run every Tuesday and Thursday from 11.30am to 3pm.

Please circle your preferred sessions below and our manager will contact you to discuss availability:
